ENGLISH

Gently melt the exfoliating skin to clear up rough skin and tone up.

DERM SRC-PF increases the synthesis of collagen, elastin and hyaluronic acid, which are very effective in reducing wrinkles and dead skin. Bambusa Vulgaris Leaf/Stem extract, which helps strengthen skin barrier and improve wrinkles, is prescribed together with highly concentrated vitamin C, KaKadu Plum extract, which the peeling removes the old skin and supplies the skin with sufficient vitamins and nutrients.

Efficacies of Bambusa Vulgaris

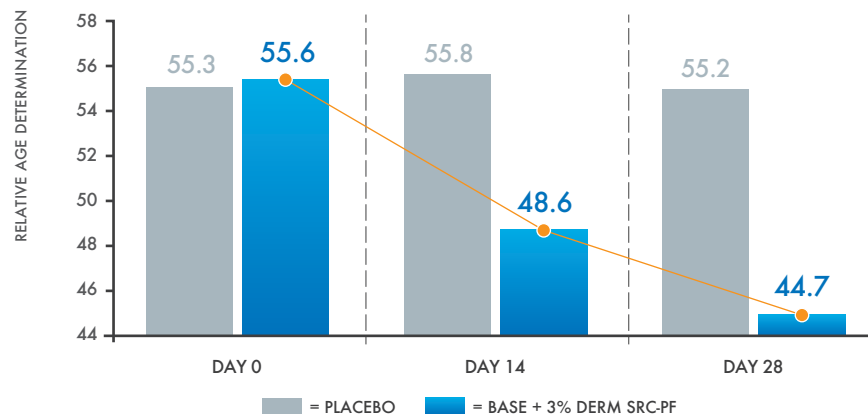

IMPROVES ELASTICITY AND SKIN TEXTURE

Bambusa Vulgaris Extract increasing composition of collagen, elastin, and hyaluronic acid has been proven experimentally, and showed a clinical effect of looking 7 years younger in 2 weeks.

Composition of collagen, elastin, and hyaluronic acid that compose skin has been increased.

Clinically, users looked 7 years younger in 2 weeks and showed an effect of looking 11 years younger after 4 weeks.

HY+ PEELING GEL

REINFORCE DERM SRC - PF

Gently melt the exfoliating skin to clear up rough skin and tone up.

Efficacies of Kakadu Plum

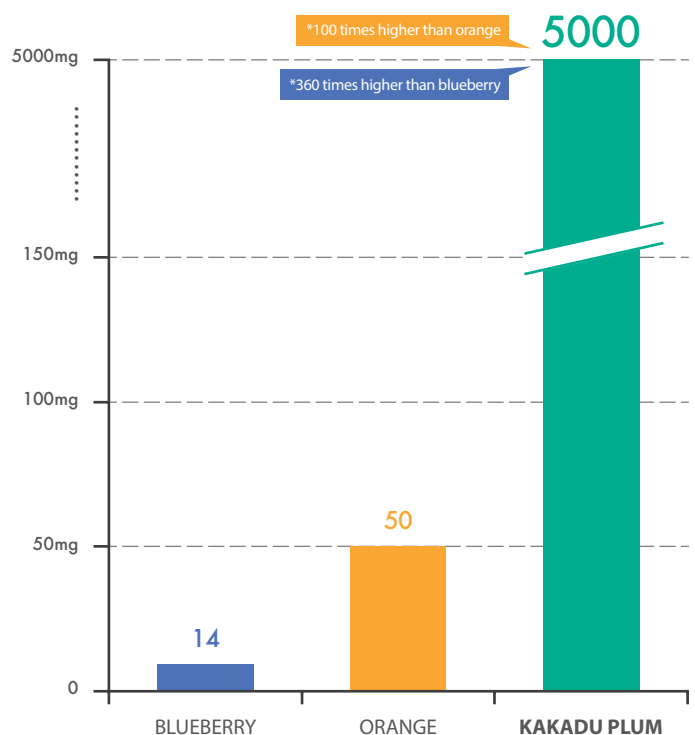

PROTECTS SKIN AND PROVIDES NUTRITION

Kakadu Plum is a crystal of Vitamin C. Kakadu Plum is effective for whitening because it contains the highest content of Vitamin C out of all existing plants on earth. Vitamin C content of Kakadu Plum per 100g is 3,200 ~ 5,000mg that it contains incomparably more Vitamin C than 50mg/100g of orange. Vitamin C is a powerful antioxidant, and proline and amino acid promote collagen synthesis. Also, it improves skin elasticity by preventing the breakdown of collagen and protects skin by reducing the damage from UV rays.

If a product is rich in Vitamin C?

+ Increases elasticity / + Provides nutrition / + Brighten / + Keeps skin lustrous

Vitamin C content per 100ml of each fruit

HY+ PEELING GEL

REINFORCE DERM SRC - PF

Gently melt the exfoliating skin to clear up rough skin and tone up.

Efficacies of AHA Fruits Complex

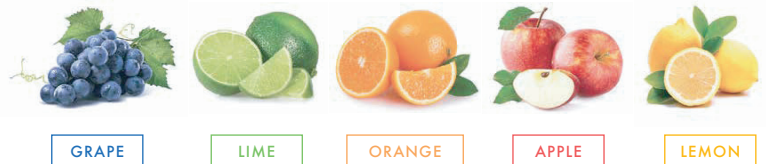

INVESTS VITALITY AND REMOVES DEAD SKIN CELLS

AHA refers to Alpha Hydroxy Acid as lactic acid, glycolic acid, maleic acid, and citric acid.

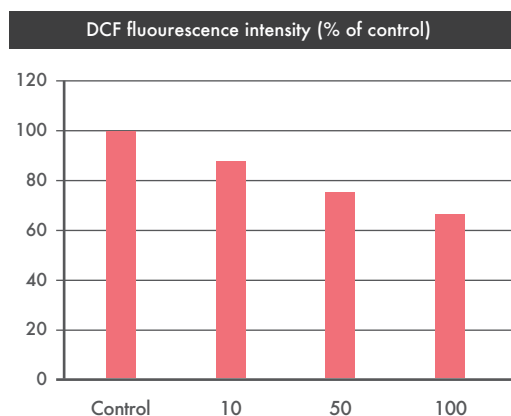

AHA, a naturally occurring organic acid, is acidic, eliminates dead skin cells by loosening the combination of skin and dead skin cells and creates smooth skin texture, and keeps skin clean and clear by promoting the turnover of skin cells.

AHA FRUITS COMPLEX

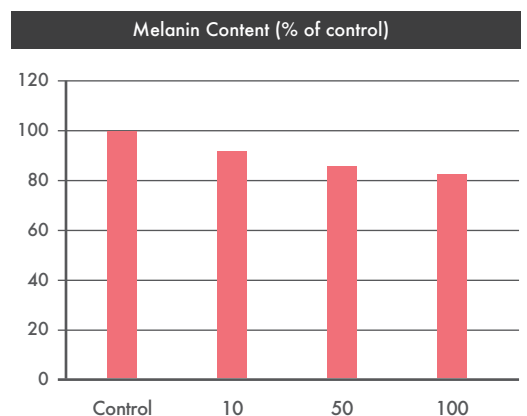

AHA Fruits Complex composed of 5 kinds of fruit high in good natural ingredients for your skin is a natural mixture that will keep your skin clean and moisturized with antioxidants of each fruit ingredients.

Concentration (ug/ml) in test medium

Results of antioxidant effect by measuring the amount of active oxygen in cells
= Showed 35% of ROS inhibitory effect at 100 ug/ml concentration.

Results of whitening effect through Melanin assay
= Showed 15% of melanin synthesis inhibitory effect at 100 ug/ml concentration.

04 **PROTECTION**

Finish with REZOVEN Cream to keep your skin healthy.

HY+ PEELING GEL

REINFORCE DERM SRC - PF

Gently melt the exfoliating skin to clear up rough skin and tone up.

AFTER CAUTION

01

Avoid sauna for 2~3 days.

Sauna that generates heat is irritant to skin after treatment.
Not only sauna, but avoid drinking and exercise that generate heat.

02

Don't provide a stimulus on your face.

Strong cleansing or stimulation can worsen your sensitive skin.
Minimize skin irritation and do pumping cleansing.

03

Use the Home Care Line for moisturizing.

Recommend to use with DERMACELEB Cellonic Booster, Fillonic Booster,
and Rezoven Cream to provide moisture and nutrition after treatment.

04

Protect your skin with sunscreen.

Recommend to use sunscreen because skin gets sensitive after
treatment and leave pigmentation on your face.

05

Drink plenty of water after the treatment.

Drink enough fluids to provide nutrition and moisture on sensitive skin.
